

# COUNTY OF YORK

## MEMORANDUM

**DATE:** July 31, 2001 (BOS Mtg. 08/21/01)

**TO:** York County Board of Supervisors

**FROM:** James O. McReynolds, County Administrator

**SUBJECT:** Approval of Procurement Action

The attached resolution provides for the approval of County purchases by the Board of Supervisors in accordance with its policy for procurements of over \$30,000. The Board's approval is requested for procurement of the following:

*Knuckle Boom Loader Truck* – Invitations for Bid (IFB) were issued and advertised to purchase a Knuckle Boom Loader Truck for the Department of Environmental and Development Services' Waste Management Center. This unit will be a third unit for the division. Each of the two existing units average 25 loads per day. They are getting old and repair and maintenance of the two units are causing problems at the center when one unit is out of service. This new unit will be used in addition to the other two units and will also aid the division in emergency situations (during the ice storm the division borrowed similar equipment from other localities and contractors). Three firms responded to the IFB, with the lowest responsive and responsible bidder being Wilbar Truck Equipment in the amount of \$98,205. Sufficient funds are available in the capital improvements budget to complete this project.

This procurement has been conducted in accordance with State procurement laws and/or County procurement policy and I recommend that it be approved through the adoption of Proposed Resolution R01-143.
